### Welcome to Pershing's Own!

---

Welcome to Pershing's Own, the monthly newsletter of the National Society of Pershing Rifles. The National Headquarters would like to introduce to you our monthly publication, following the events, missions, and outstanding members of our society. Our goal is to keep riflemen updated on what has and will be happening throughout the month. Included will be articles on The National Headquarters, regiments, companies, fellow riflemen, and Alumni. We will include NATCON updates as well as other society functions across the country.

Pershing's Own, as the newsletter of the National Society of Pershing Rifles, encourages fellow riflemen to submit articles, upcoming events, and event feedback. This is an opportunity to spotlight outstanding performers and dedicated workers within our society as well as promote brotherhood through social events. We strive to make Pershing's Own an anticipated publication each and every month. Once again, welcome to Pershing's Own, we hope you enjoy our first newsletter. SCOONEY!
